

Here for families of seriously-ill children. Always.

For Immediate Release

Sebastian's Action Trust gives Sister Frances Dominica its full support and she remains a valued Patron of the charity.

Sebastian's Action Trust gives its full support to Sister Frances Dominica and is proud that she remains a valued Patron of our award winning charity.

Since our inception in 2004 we have walked alongside families of seriously-ill and life-limited children from diagnosis, through treatment and beyond. Sister Frances was our charity's first Patron and has remained a loyal supporter of the Trust for over a decade.

The Trust is incredibly thankful to Sister Frances and grateful for her time which she gives so generously. The Board of Trustees has given their full support to Sister Frances and wants to support her to continue to fulfil her role as Patron within the charity.

Sister Frances has at all times been open and clear about allegations in 2013 which she has always strenuously denied. It should be made clear that these were reviewed and dropped by the Crown Prosecution Service; she has fully cooperated with our own enquires and has kept our Board of Trustees, who count safeguarding as their most important responsibility fully informed throughout.

Sebastian's Action Trust places safeguarding at the heart of its operations and in accordance with our policy of inclusion, we have found absolutely no reason to exclude Sister Frances from our activities. We fully accept and have complete faith in the Crown Prosecution Service's decision.

We remain committed to Sister Frances and are proud to have her amongst our Patrons. The Board of Trustees will continue to help her during this personally difficult time and will continue to support her and her work with terminally-ill children.
