

Sebastian's Action Trust

Here for families of seriously-ill children. Always.

50:50 Club

Join our monthly prize draw for a chance to win a cash prize, while helping raise funds for families of seriously-ill children.

Welcome to the Sebastian's Action Trust 50:50 Club

The 50:50 Club is a lottery with a difference!

The aim of the club is to generate funds for Sebastian's Action Trust whilst giving you a chance to win a share of the prize fund. You can purchase a single number for entry into the monthly draw for a donation of just £5 a month and you can pay for as many numbers as you like!

Each month half of the proceeds are allocated to our prize pool, while half goes to support the work of Sebastian's Action Trust. Four numbers are drawn at random every month.

The prize fund is dictated by how many numbers are entered into the draw each month.

For example, if we have 2000 single numbers in the club it would give a monthly prize fund of £5,000 - with the other £5,000 going to the Trust. This would make four winning prize amounts of:

1 st prize	£2,500
2 nd prize	£1,250
3 rd prize	£750
4 th prize	£500

Why support Sebastian's Action Trust?

Our charity was established in 2004 following the death of nine-year old Sebastian Gates. Sebastian's final wish was to create a holiday house that would give other children the chance to spend precious time with loved ones, away from prying eyes and the rigours of treatment schedules and hospital life.

Sebastian's dream became a reality in July 2011 when The Bluebells opened its doors. This purpose build holiday house funded, designed and constructed by the charity, was the first of its kind in the UK and made Sebastian's vision all the more exceptional.

Sebastian's Action Trust provides respite breaks, together with practical and emotional support for seriously-ill children and their families. We walk alongside families, offering advice, guidance and support for as long as it is needed.

The remaining half of the fund will be spent supporting the Trust's ongoing work, providing respite breaks and emotional, social and practical support to families of seriously-ill children.
